

It meant so much.

Bill + Linette

Kevin + I wanted to thank you again for doing such an amazing job at our wedding on Oct 8th. You really brought the vibe Kevin + I were looking for. Everyone raved about you and as you may have noticed everyone had a blast. So

Thank you again. If you ever need your boat fixed or a recommendation don't hesitate to contact us! We will definitely call you if we have another major party

Lynne + Kevin Phinney
